INSTRUCTIONS ENGINEERING APPLICATION FORM
(To be detached before despatch of the form)

13. **Instructions**

- a. It is mandatory for candidate applying for PC Scheme or Army reserved seats in UETs to appear in **NUST entry test** and also apply for admission in **minimum 2 x engineering disciplines in NUST**.
- b. Candidate interested for UETs, apart from applying in **NUST on open merit must also apply in UET of his/her province of domicile which makes him/her eligible for all UETs across the country**. More so candidates applying in engineering department (other than UETs) of public/private sector universities/institutions will not be considered for UETs admission. Separate form will be submitted by students for admission in concerned university. Respective engineering institutions website must be visited to fulfill their latest eligibility criteria/clarification, if any.
- c. PC and Army reserved seats in UETs are allocated by W&R Dte purely based on the merit of a candidate in NUST Entry Test (NET).
- d. After declaration of NUST open merit position, priority of discipline already given by the candidate in PC form will not be changed. Therefore, a candidate, who is NOT serious in pursuing a career in a certain engineering discipline **MUST NOT** give it as a 3rd, 4th, 5th (and so on choice). For the **Open Merit Seat(s) of NUST** a candidate who is not interested in an engineering discipline/campus **MUST NOT** give as his/her choice. If selected for such a discipline on open merit, he/she will not be considered for any discipline in PC Scheme/UET irrespective he/she avails open merit seat or otherwise.
- f. Up-gradation of discipline as per given order of priority against the vacant seats shall be undertaken without prior information. The process shall continue till finalization of the admissions. Refusal to accept upgraded discipline at a later stage will result in cancellation of nomination. However, if any candidate desires to retain the allocated discipline irrespective of the preferences given in the PC application form, candidate is required to inform immediately, so that further up-gradation is blocked in subsequent selections.
- g. Forms should be filled without any overwriting/cutting, usage of fresh form be resorted to in case of any such error. Therefore, ensure proper legible filling of all columns with utmost care.
- h. Please read the instructions carefully before filling the form. You may like to retain a photo copy of the form for future reference.
